**Commissioner for Patents**

This is response to the letter filed on August 1<sup>st</sup> 2005 in regard to Appeal Brief Fee. Since prosecution was reopened, that means that the grounds of rejection have changed (i.e., they haven't been adjudicated by the Board). Therefore, if prosecution is at the point of appeal once again, a new notice of appeal, fee, etc. would be required. This is not a rehearing situation on the previous Board decision, it's a totally new appeal on new grounds of rejection.
